LCTI student qualifies to compete at FBLA nationals
Four students finish among Top 5 at Pennsylvania state conference

Thirteen Lehigh Career & Technical Institute students competed April 8-10 at the Pennsylvania FBLA State Leadership Conference and four of them brought home medals from Hershey.

Robbie Julian, a Whitehall High School student in LCTI's Web Design/Web Programming program, earned third place in the Web Design event and qualified to compete this summer at nationals. The FBLA National Leadership Conference is scheduled June 27-July 3 in San Antonio, Texas.

The duo of Whitehall High School's Pandora Sanders and Parkland High School's Antonio Smith finished fifth in the Network Design event. Sanders and Smith are students in LCTI's Computer & Networking Technology program.

Noah Myers, a Northwestern Lehigh High School student in the Computer & Networking Technology program, earned fifth place in the Networking Concepts event.

About Lehigh Career & Technical Institute
Lehigh Career & Technical Institute is Pennsylvania’s largest career and technical school. Founded in 1971, LCTI each year provides more than 45 skills-based programs of study, as well as academic instruction for about 2,700 students from 10 of Lehigh County’s public high schools. LCTI also offers industry-relevant training and credentials for adults working in the Lehigh Valley and beyond. The school’s state-of-the-art facilities encompass 450,000 square feet on a 47-acre campus in the Schnecksville section of North Whitehall Township. Learn more at lcti.org.
