Directions for LVHN’s Paperwork

**Step 1:** Have physician/medical provider complete and sign “Lehigh Valley Health Network Youth Program AAMC Standardized Immunization Form”

Student must have obtained 2 doses of the chickenpox (varicella) vaccine or will need to have/obtain varicella titer
Student must obtain a 2-step TB test (Tuberculin skin test or Mantoux test). Test #2 must be obtained one week after test #1 was read. An alternative option is to obtain a onetime blood test called QuantiFERON TB Gold

**Step 2:** Immunizations must be recorded on the certification form

**Step 3:** Complete online 2020-2021 LVHN Emerging Health Professionals Application.

Original Immunization Form submit to EHP instructors on first day LCTI
