Emerging Health Professionals
2020-2021

Welcome to Lehigh Valley Health Network. We are dedicated to protecting you and our patients from infectious diseases. To meet the requirements set forth by LVHN and OSHA, you will need documentation for the following immunizations and tests before beginning your experience at LVHN.

Please note, the documentation that follows must be provided by a healthcare professional capable of certifying that the following requirements have been met.

In order to protect our patients, staff, and visitors, please review the following section carefully. If you or anyone in your household/family has shown any of the following symptoms/illnesses within three days of the program, **please refrain from participating until your doctor has released you to do so.**

- vomiting
- cough
- strep infection
- diarrhea
- rash
- cold sore (fever blister)
- fever
- conjunctivitis (pink eye)
- cold or flu
- Impetigo
