Nine more LCTI students qualify for FBLA state contest
They’ll join 16 other qualifiers at the April 3-5 competition in Hershey

SCHNEKSVILLE, Pa. | The number of Lehigh Career & Technical Institute students slated to compete this spring at the Pennsylvania FBLA State Leadership Conference has jumped from 16 to 25.

LCTI recently received word that nine additional students qualified for the state contest by scoring high marks on work they submitted for evaluation ahead of December’s regional competition at Lehigh Carbon Community College.

The following students are slated to represent LCTI in the categories indicated:

William Allen High School
Ian Morder, 3D Animation
Web Design/Web Programming

Louis E. Dieruff High School
Yeuris Martinez, Public Service Announcement
Web Design/Web Programming

Catassauqua High School
Joshua Tulloch, Website Design
Web Design/Web Programming

Emmaus High School
Jeffrey Reed, Coding and Programming
Web Design/Web Programming

Tyler Wursta, Public Service Announcement
Web Design/Web Programming
Northern Lehigh High School

Devin Slack, Computer Game and Simulation Programming
Web Design/Web Programming

Parkland High School

Victor DeLeon, Coding and Programming
Web Design/Web Programming

Ryan Engebretsen, Computer Game and Simulation Programming
Web Design/Web Programming

Rebecca Panarello, Digital Video Production
Commercial Photography/Electronic Imaging

They’ll join 16 fellow students who learned in December that they’d qualified for the April 3-5 competition in Hershey.

The FBLA-PBL, or Future Business Leaders of America- Phi Beta Lambda, is one of seven career and technical student organizations at LCTI. Administrative Office Technology/Accounting instructor Elaine Beam serves as the chapter advisor.

About Lehigh Career & Technical Institute
Lehigh Career & Technical Institute is Pennsylvania’s largest career and technical school. Founded in 1971, LCTI each year provides more than 45 skills-based programs of study, as well as academic instruction for about 2,700 students from 10 of Lehigh County’s public high schools. LCTI also offers industry-relevant training and credentials for adults working in the Lehigh Valley and beyond. The school’s state-of-the-art facilities encompass 450,000 square feet on a 47-acre campus in the Schnecksville section of North Whitehall Township. Visit lcti.org for more information about LCTI.
