LCTI names September students of the month
Selected students displayed outstanding effort, achievement, leadership

Schnecksville, Pa. | Every month, the career and technical education instructors at Lehigh Career & Technical Institute recognize two students — one each from their morning and afternoon sessions — for outstanding effort, improvement, achievement or leadership in their respective programs.

Below are the instructor selections for September 2016. Congratulations to LCTI's students of the month!

About Lehigh Career & Technical Institute
Lehigh Career & Technical Institute is Pennsylvania’s largest career and technical school. Founded in 1971, LCTI each year provides more than 45 skills-based programs of study, as well as academic instruction for about 2,700 students from 10 of Lehigh County’s public high schools. LCTI also offers industry-relevant training and credentials for adults working in the Lehigh Valley and beyond. The school’s state-of-the-art facilities encompass 450,000 square feet on a 47-acre campus in the Schnecksville section of North Whitehall Township. Visit lcti.org for more information about LCTI.
