**Meet Our Presenters:**
Meet Our Exhibitors:

- Vicki Phillips – Jewelry by Vicki – hand designed jewelry made to make the professional woman in you shine!

- KidsPeace – KidsPeace is a private non-profit organization dedicated to serving the behavioral and mental health needs of children, families and communities. Founded in 1882, KidsPeace provides a unique psychiatric hospital, a comprehensive range of residential treatment programs, accredited educational services and a variety of foster care and community programs.

- Pyramid Health Care – will include substance abuse treatment services offered across Pennsylvania as well as offer information on a myriad of levels of care for both adults and adolescents. Reference materials and handouts will be provided along with numerous promotional items.

- BrainSTEPS – The BrainSTEPS (Strategies Teaching Educators, Parents, & Students) Brain Injury School Re-Entry Consulting Program assists PA school in creating educational plans for students following acquired brain injury. This service is free of charge for students in Carbon and Lehigh counties.

- Capital Blue Cross
Good Shepherd Rehabilitation Hospital
Turning Point of the Lehigh Valley, Inc.
Epilepsy Foundation of Eastern Pennsylvania
Center for Humanistic Change
Lehigh Valley Coalition on Organ & Tissue Donation
And more!

Workshop Information
Tuesday, August 11, 2015

Keynote:
8:15 to 10:00 in the Small Cafeteria

Beth Anne Bahn, RN – DOH Update
Beth Anne Bahn will share updates from the Pennsylvania Department of Health including what’s new and reminders about what’s not new.

Workshops:

10:15 a.m. to 11:45 a.m.

1. Christine Leinweber – Supporting Students Returning to School after Outplacement
   This workshop will cover how best to support students returning to school after their outplacement for drug and alcohol treatment and how to recognize signs of relapse.

2. Chris Ferry, Jason Savonelli, & Rob Harvey – Suicide – Know the signs
   Suicide – what are the warning signs? What are suicidal behaviors?
   What should your next steps be?

3. Don Sabo – Illicit Drugs
   This session will discuss the variety of illegal and illicit drugs that are prominent in our area, including the most prevalent current trends.

4. Gloria Rivera – Adolescent and Relationship Abuse and Turning Point Services
   How it affects the health of the youth. How to address and identify adolescent relationship abuse
Lunch – 11:45 a.m. to 12:30 p.m. in the Small Cafeteria
12:30 p.m. to 2:00 p.m.

1. Ellen Baca – Seizures
   This session will provide up-to-date information and resources to help the school nurse effectively manage and support students with seizures in school. Discussion will encompass: 1) positive treatment outcomes for the student; 2) maximizing educational and developmental opportunities; 3) ensuring a safe and supportive environment.

2. Tanya Hook & Maryellen Shields – Personal & Professional Preparedness
   Are you prepared for an emergency evacuation? Of your work area? Of your home? Get tips on how to prepare for the worst – an emergency evacuation with very little time to move out.

3. Chris Ferry, Jason Savonelli, & Rob Harvey – Social Media
   This session will explore the pros and cons of the various types of social media, do’s and don’t’s, and how to recognize adverse cyber behavior.

4. Lisa Fiore & Lisa Wolff – Heroin and Opioid Prevention Education
   HOPE was developed to respond to the growing concern around the heroin and opioid epidemic in Lehigh County and throughout the state of Pennsylvania. By participating in the program, you will be able to identify: What is Heroin? What are Opioids? Signs and Symptoms of Someone Using, Effects of Use - on Health, Relationships, and Life, Local Resources, Where to Go for Help.

5. Dan Danish – Adolescent Headaches and Post Concussive Syndrome: What you need to know
   Physical therapists from the Good Shepherd Headache Program will discuss the common causes, recognition and treatment of musculoskeletal headaches in adolescents. Understanding the total picture of post-concussive syndrome and guidelines for post-concussive return to school and sports will be reviewed.

Break – 2:00 – 2:15 p.m.

Keynote:
2:15 p.m. to 3:30 p.m. in the Small Cafeteria

Edward Bachert
Violence in Schools
Discussion will include how to de-escalate violent behaviors and how to react to violence in school to remain as safe as possible.

Wednesday, August 12, 2015
Keynote:
8:15 a.m. to 9:45 a.m. in the Small Cafeteria

Dr. Everett Binns
EMS and School Nurses Perfect Together:
Using the Medicine Wheel to Enhance Communication and Teamwork

Dr. Binns will discuss the necessary link between EMS personnel and School Nurses and how they work together through communication and teamwork to provide high quality care.

Workshops:

10:00 to 11:30 a.m.
1. Beth Ginck – Diabetes Pumps
   Hands-on experience with a variety of insulin pumps
   *(Space is limited to the first 30 people who sign up)*

2. Jim Reidy - Concussion Management: Bridging the Gap Between Home, Classroom and Field
   This presentation will examine the latest research on management and rehabilitation of concussions in an effort to help nurses to collaborate with other health care professionals. Rationale for both academic and athletic policies will be examined to guide an approach to comprehensive school district and community wide concussion care.

3. Erin Gilsbach – HIPPA vs. FERPA
   A comparison of HIPPA and FERPA as well as how they affect the role of the school nurse.

4. Jackie Zolotsky – ENT Assessment
   What’s normal and what’s not? This workshop will cover a comprehensive hands-on assessment of ears, nose and throat. Please bring an otoscope for the maximum benefits of this workshop.

Lunch – 11:30 a.m. to 12:15 p.m.

12:15 to 1:45 p.m.
1. Beth Ginck – Diabetes Pumps
   Hands-on experience with a variety of insulin pumps
   *(Space is limited to the first 30 people who sign up)*
2. Erin Gilsbach – Q & A with a Lawyer
   Erin will answer your questions related to school law. This session will be an open dialogue between participants and Erin.

3. Lisa Fiore & Lisa Wolff – Heroin and Opioid Prevention Education
   HOPE was developed to respond to the growing concern around the heroin and opioid epidemic in Lehigh County and throughout the state of Pennsylvania. By participating in the program, you will be able to identify: What is Heroin? What are Opioids? Signs and Symptoms of Someone Using, Effects of Use - on Health, Relationships, and Life, Local Resources, Where to Go for Help

4. Jackie Zolotsky – GI Assessment
   Is that stomach ache cramps or just because the student “forgot” to eat breakfast? Or is it something more? Jackie will explore a comprehensive hands-on assessment of GI issues.

5. Dan Danish – Adolescent Headaches and Post Concussive Syndrome: What you need to know
   Physical therapists from the Good Shepherd Headache Program will discuss the common causes, recognition and treatment of musculoskeletal headaches in adolescents. Understanding the total picture of post-concussive syndrome and guidelines for post-concussive return to school and sports will be reviewed.

Break – 1:45 to 2:00 p.m.

Keynote:
2:00 p.m. to 3:15 p.m. in the Small Cafeteria

Beth Anne Bahn – Director of the Division of School Health
Epinephrine Autoinjector Training and Certification
Question and Answer Session

In this session Beth Anne will train each participant in the use of epinephrine autoinjectors and certify the participants to train others. At the end of this training, Beth Anne will answer questions regarding her Health Update and other issues as time allows.
